

## **Erasmus+ Administrative Staff at the University of Limerick, Irlanda**

Dear Partner,

The University of Limerick International Education Division would be delighted to welcome you to Ireland in April. This is to quickly remind you regarding the dates for this year.

We would like to remind you of our Staff week which will take place here on the University of Limerick campus from April 29 until May 03 2019.

We would be delighted to welcome staff of partner universities working in International Offices, student support offices, recruitment areas, coordinators of international programmes and policy advisers.

This is a week where we would like to take the opportunity to discuss and share ideas about 'Supports for Students on Mobility'. Entrenched in our discussions will be themes involving the academic and support needs of current students, safety and security, health and well being, as well as the myriad of arising for both the host and sending institutions.

The deadline for registration is March 20th at noon. **We have limited spaces remaining.** Please register your interest [here](#).

The University of Limerick has been awarded the accolade by the Times Good University Guide of 'Irish University of the Year 2019' and just last week we received an award for 'Best Erasmus Programme 2019' by the The Education Awards in Ireland.

We look forward to welcoming you to our campus, to Limerick and to Ireland.

Best wishes,

Madeline
