

HOGENT INTERNATIONAL WEEK 2024

20-22 March in HOGENT University of Applied Sciences and Arts

It is our pleasure to invite you to HOGENT International Week from 20 to 22 March 2024 in Ghent, Belgium. After last year's successful edition, HOGENT International Week 2024 will further explore various aspects of sustainability.

Our programme is made up around following thematical building blocks: sustainability policy; climate, energy, and mobility; inclusion; sustainability in education; and biodiversity & agrifood sustainability.

Have a look at [our programme](#) and [register](#) by 4 March 2024! Practical details will be added on [our website](#) (venue information, recommended hotels, Erasmus+ formalities, ...). If you have any further questions, please contact us via **internationalweek@hogent.be**.

In addition to this programme of sessions, we will also update you further on the possibilities to join an open class together with our students. You can find the first options in attachment; more will follow on our website.

Looking forward to welcoming you at HOGENT University of Applied Sciences and Arts..
