

EUROPE WEEK
from 08 – 12 May 2023
at HTW saar Business School, Saarbrücken, Germany

I cordially invite you to participate in our 14th Europe Week which will take place from 08th – 12th May 2023 within the framework of the ERASMUS programme.

The Europe Week is a great opportunity for sharing knowledge and professional experience. It is also a wonderful opportunity to get to know our Business School and experience our region through a mix of professional and social activities throughout the week.

Our Europe Week aims at

- raising awareness of perspectives on business and business related issues from outside Germany amongst our students
- encouraging our students to study at our partner universities
- offering to our ERASMUS+ lecturers the opportunity to network with colleagues here and to discuss cooperation aspects

In 2022 we successfully restarted our Europe Week after the long Covid-19 break and hoping that the Covid-19 conditions allow us again to bring Europe Week 2023 back to old glory. We are looking forward welcoming you again or for the first time in Saarbrücken.

This year we offer two options within the ERASMUS+ program.

The classical lecturer option (6 hours of lectures + 2 hours promoting your institution among students during the study abroad fair) or the curriculum development option (4 hours lecturing and 4 hours international joint curriculum development).

You can find all information, registration form, and updates at:

We cover the costs for lunches from Monday to Friday at our restaurant and for the official dinners. Other costs, including hotel accommodation, are to be covered by guests themselves.
