

Institut National Polytechnique de Grenoble (Francia)

SUMMER SCHOOL 2023

Grenoble international smart engineering summer school (Ginsen)

From June 19th to July 8th 2023

Ginsen offers 2 options, allowing you to explore and deepen your knowledge in the engineering field of your choice: **Nanotechnology** or **Smart Energy**.

The 2-week program combines:

- **Academic classes** (some are common to both options, other specific to a field).
- **Practical work sessions.**
- **A full social and cultural program** including visits to world-class research facilities, guided visits of Grenoble city and its surrounding, Game Tournaments, Pub quiz, etc.
