

i⁴ week - International Week

4 – 7 December 2023

Kempton University of Applied Sciences

Join us as partners - application deadline 31 July

Topic: Networking expertise and diversity

We invite you to share your expertise in an international and interactive setting. We aim at developing your innovative and integrative approaches to collaboration and teaching. Network with our professors, our students and our partner universities.

This week is dedicated to connecting academic lecturers from around the world and form cooperations to embrace multiculturalism as a powerful tool for building the next level of high-quality education.
