

Winter Sport Federations and Major Events Management Programme

From 05th to 16th January 2026 in Paris

- This short programme offers your students the opportunity to:
- Gain valuable insights into the French success story of sport event management,
- Attend conferences with major sport federations and international event organizers,
- Visit iconic venues such as Stade de France and Roland Garros,
- Join an international classroom and earn 9 ECTS credits.

A certificate is awarded upon completion of the course.
