

# **BURGUNDY SCHOOL OF BUSINESS-FRANCE Summer School (June/July2026)**

## **- Authentic Leadership & Human-Centered Innovation (Design Thinking)**

**When: June 22–26 Where: Dijon**

A hands-on programme focused on leadership development and Design Thinking, applied to a real-life company challenge. During this programme, participants work on a real-world, team-based challenge following the principles of Design Thinking, while also engaging in self-development activities, including elements of the Process Communication Model to strengthen communication and teamwork skills.

**ECTS: 4**

## **- Empowering Sustainability: Transformative Pathways in Consumption**

**When: June 29–July 3 Where: Lyon**

An immersive sustainability programme exploring key societal challenges through interactive workshops and simulation tools.

We would be grateful if you could share this opportunity with your students or let us know if you would like us to provide additional information or promotional materials.

**ECTS: 4**
