

**Erasmus+ Teaching Staff  
Erasmus Administrative Staff  
at Technical University of Ostrava – Czech Republic  
From 3 to 7 October 2022**

We are pleased to invite you to the next edition of International Week at the Faculty of Economics, VŠB - Technical University of Ostrava, Czech Republic.

In 2010 we started the tradition of “International Week” as an international meeting place in order to inspire and stimulate people from many countries who are working in educational field (economic, technic and other fields).

This year's International Week is organized in cooperation with other faculties of our university, so applicants from the International Office from any foreign faculty or university are welcome to apply.

There are two options for participation in the week this year:

1. **lecture** for students, or
2. **staff** from International offices

During the "Lecture" Week we invite our colleagues from partners universities to present our students experience different style of tuition, try lectures in English, get new knowledge and experience and meet our foreign partner universities. But on the other hand we also wanted foreign university teachers to experience teaching Czech students in different background. They were also able to meet, discuss and exchange ideas and best practices with colleagues from other universities.

During the "Staff" Week, participants will have the unique opportunity to network with colleagues from other Universities, discuss the challenges of Erasmus+ mobility programmes, BIP, recognition of study abroad, student motivation, participate in workshops, discuss and exchange ideas and best practices in the areas of international relations.

We really hope you will take again this great opportunity to meet colleagues from all over the Europe and participate in the International Week in Ostrava.

**Funding:** There is no conference fee. The international participants will pay their travel expenses, accommodation cost and meals on their own. It is possible to apply for funding within the Erasmus+ programme. Host institution will cover the costs of local travel, welcoming lunch, farewell dinner and some free time activities.

**Deadline to apply: 15th june 2022**
